STREET CLOSURES

Tuesday, October 28, 2014

Road closed as repairs get underway

GRANITE QUARRY—[N.C. Department of Transportation](#) crews are currently working on Barringer Street for bridge repair. Repairs are also scheduled to begin on the East Bank Street railroad crossing Monday, November 10th.

Barringer Street is now closed in both directions and will remain closed until repairs are completed. The road is expected to reopen by Friday, Nov. 17 at 5 p.m. During the closure, motorists will use Faith Road, N. Main Street and W. Peeler Street as the 1.7 mile signed detour route.

East Bank Street will be closed in both directions between S. Salisbury Ave (N.C. 52) and N. Main Street and will remain closed until repairs are completed. The road is expected to reopen by Friday, December 5th at 5 p.m.

During the closure, motorists will use E. Church Street, Lyerly Street or Depot Street as alternate routes to cross the rail road. North Main Street will remain open; however, traffic will be limited to one lane with traffic controlled through flagged access.

Future closures will include crossings at Church Street, Lyerly Street and Depot Street with staggered schedules and updates made available as soon as work schedules are released.

NCDOT encourages motorists to pay attention, obey the posted speed limit, and allow extra time to reach their destinations safely.

For real-time travel information at any time, call 511, visit <http://www.ncdot.gov/travel> or follow NCDOT on [Twitter](#). Another option is NCDOT Mobile, a phone-friendly version of the NCDOT website. To access it, type m.ncdot.gov into the browser of your smartphone. Then, bookmark it to save for future reference.
